

Jubilee Tours

Lancaster Pa. September 14-17, 2026

This is one of the most beautiful places you will ever visit. The best food you will ever eat because it never ends. We've included meals at the best restaurants and the best shows. A tour of the Amish way of life.

Monday: We will travel to our destination by way of the Shenandoah Valley. One of the most scenic drives in the country. We will stop as always about every two hours. We will be staying at The Hampton Inn in Lancaster. Which is central to everything we will be doing. A hot breakfast is included each morning.

Tuesday: We will leave the hotel today at 9:30am to see Lancaster and the beautiful countryside. We will see **Joshua** today at the Sight & Sound Theater at 11am. We will arrive early to give you plenty of time to shop before the play. Afterwards we will have a guided tour through the countryside. We will head over for a wonderful buffet meal this evening (TBD)

Wednesday: We tour the rest of Lancaster today. Seeing the Kitchen kettle, where you can also take a horse and buggy ride. We can certainly recommend it and even eating lunch here or at a roadside market. We will tour many of the roadside stands and even find some unusual places you've never seen before. Afterwards we will head over to local family home for a great meal.

Thursday: Please have bags down by 7:45. We will head back home at 8am this morning and go back the same way we came. Making stops for rest breaks. We Should arrive back around 9 pm. Stopping at Woodfire Grill on the way back for lunch **included**.
